University of Oxford

Kellogg College Ball 2022

Get ready for the 2022 Kellogg College Ball!

My name is S [REDACTED] U [REDACTED] and I'm the 2022 Kellogg College Ball President. Because the pandemic delayed the 2020 ball, we will be celebrating the college's 30th anniversary this year instead, and we want it to be a huge celebration! As we will be continuing on the work of the 2020 Ball Committee, the planning is almost complete. If you would like to help finalize the ball planning, please send an email to me at [s\[REDACTED\].u\[REDACTED\]@kellogg.ox.ac.uk](mailto:s[REDACTED].u[REDACTED]@kellogg.ox.ac.uk) indicating what role you are interested in and your qualifications for the role. The following roles are available: Marketing Manager, Communications Officer, Treasurer, Sales Officer, Website Developer, Drinks Officer, Food Officer, Entertainment Officer, Lighting/Decorations Officer. If selected for a role, you will be expected to attend ball meetings, which will take place every Friday. Please note that you should expect to commit roughly 2-5 hours per week.

All committee members will receive a free ticket to the Kellogg College ball and all ball launch parties.

I look forward to receiving your applications!
